2.0 MATTERS ARISING

- 875 Tree maintenance works - an order has been placed and the surveys will be undertaken shortly.
- 1088 Mr Holmes reported that he was still awaiting a reply from the Police on the request for a further interactive sign. Cllr Harmer would seek clarification on the issue and raise an agenda item for the next Haslemere Traffic Task Group. This is currently outstanding and is dependant on funding.
- 1209 Recreation Ground - The two benches were awaiting installation. An order has been placed for this.
- 1232 Advertising posters in the village – This was reviewed by the Waverley Committee Task Group, but the outcome was disappointing, in that SCC did not allow posters on its land due to Health and Safety reasons. Mr Holmes was not satisfied with the outcome and asked Cllr Harmer to take the matter further. Cllr Harmer advised that he was trying to get a Policy in place through SCC, so that delegation could be given to Parish Council to sets its own policy on advertising. Outcome awaited.
- 1241 Further to the concerns of Countryline bus services turning at Beacon View Road, Mr Jeffery discussed the matter with the bus driver and pointed out the problems, therefore asking her to turn at Woolfords Lane. She agreed to do this. It was also noted that Mr Hall, SCC Highways, was investigating the possible introduction of a bus lay-by.
- 1277 Burford Lodge Entrance - Surface water was coming off the Milford Road and flooding into the drives. Mr Terry spoke to WBC on the matter. However, they advised that the matter was a SCC issue. Cllr Harmer asked Mr Terry to provide him a map of the exact area and location of the gully, so that he could raise the issue with highways maintenance.

- 1303 It was asked when the Police would be holding their Village talk on Neighbourhood Panels. Mr Holmes advised WPC Barnett was no longer currently available and her role has now been taken over by PC D Berridge and he could be contacted on 0845 1252222 ext 3294. Mrs Place suggested that this information should be included in the Village News. It was also suggested that PC Berridge be asked to attend the Parish Council meeting every three months, so that he could appraise the Council of what was currently happening in the village and surrounding areas.
- 1328 SCC Highway Engineer – Road Safety Measures - It was suggested that a special meeting be set up to review traffic management issues and provide options. When this had been undertaken, Mr Hall would be asked to attend a Parish Council meeting to seek his views on such traffic management measures that could be undertaken in the village with the funds available. Cllr Harmer was also asked to be present. The Clerk would arrange a meeting of the relevant parties.
- 1343 The Clerk reported that the Football Club had still not removed the goal posts on Burford Lodge Recreation Ground. It was hoped that they would be removed shortly. The situation was in hand.
- 1345 Mr Murphy requested that the broken fence posts around the Thursley Road Recreation Ground be replaced. The Clerk reported that he had asked the local fencing contractor to undertake this work.
- 1357 SCAPTC has reissued its terms of reference for consultation for Parish Council confirmation prior to its issue to their AGM. The Parish Council requested a summary of the changes before it could approve them.
- 1363 A question was raised in relation to when SCC undertook the weed spraying of footpaths and verges. Cllr Harmer suggested that if Parishioners had any issues on SCC maintenance, they should call the hotline number given previously, as published in the Village News.

3.0 BURFORD LODGE RECREATION GROUND PLAY EQUIPMENT

- 1365 It was agreed that the Clerk would obtain further quotes for the installation of play equipment in time for the next meeting. When these had been obtained, it was agreed that an order would be placed for the new equipment and the Sub-Committee would meet on site to agree the siting of it.
